The Mountains Are Calling!

And our second graders went! Ms. Karen and Ms. Lori’s Crews headed to the Yuba Gap a few weeks back to deepen their knowledge of geology. Students got first hand knowledge of the role that weathering and erosion has on our landscape and the rock cycle!

Under the guidance of teachers and parents, students ran through multiple stations and learned about sedimentary rock formation.

This learning kicked off some great hands on science that was followed up in the Outdoor Science Garden, where students got to create and manipulate their own landscapes via our very own erosion table!
Box Tops 2.0

Box Tops for Education is getting fancy y’all and the competition between classes at GVCS is ON! Read below to see how you can support your crew to win the coveted GOLDEN Box Top Trophy (oh, yeah, that is a real thing - at least at Charter ;o)

**EARN CASH FOR OUR SCHOOL**
NO MORE CLIPPING. ALL YOU NEED IS YOUR SMARTPHONE.

The NEW and improved Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add Box Tops to our school’s earnings online.

**HERE’S HOW IT WORKS:**

**BUY BOX TOPS PRODUCTS**
You can find Box Tops on hundreds of products throughout the store.

**SCAN YOUR RECEIPT**
Use the app to snap a photo of your receipt within 14 days of purchase.

**EARN CASH FOR OUR SCHOOL**

An Expanded View of Student Achievement

At GVCS we have an expanded vision of student achievement. We believe that when a student graduates from our school, that they should be well on their way to becoming an effective and productive citizen, who not only envisions a better world, but possesses the tools to help create that world.

As students culminate their education, be it after college or vocational school, we know that their success is not solely dependent upon their test scores, but on the quality of their work and the quality of their character.

As such, at GVCS we consider student achievement to have three dimensions: Mastery of Academic Skills and Content, High-Quality Work, and Character.

We hope that you have found evidence of our commitment to these dimensions of student achievement in the previous pages.

Our Design Principles

The Primacy of Self – Discovery
The Having of Wonderful Ideas
The Responsibility for Learning
Empathy and Caring
Success and Failure
Collaboration and Competition
Diversity and Inclusion
The Natural World
Solitude and Reflection
Service and Compassion
